I aspire to be a professional performer and to hopefully perform on Broadway, but I'd also like to be a psychologist.

THAT GOAL?**

The PAC has helped me figure out that performing is my passion and has taught me many valuable lessons as to how I will approach this goal of mine.

The PAC has been my home since I was four years old. I've always felt comfortable being there and performing, and I'm truly blessed to have a program that allows me to do that.
