PAC KID SPOTLIGHT

ALLIE SUTTON

North Hardin High School

What have you participated in at the PAC?

I have performed in my high school's productions of *Seussical* (chorus member), *Beauty and the Beast* (Chip), *High School Musical* (Sharpay), *Aladdin* (Jasmine), *Peter Pan* (Tinker Bell) and *The Little Mermaid* (Ursula). I have also performed in numerous choir concerts at the PAC with the North Hardin Show Choir over the past four years. In addition to actual performance, I am the lead choreographer for NHHS Choir.

What did you learn from your experience?

My PAC experiences have allowed me to mold and develop into a much better performer, as the facilities, as well as their professional staff, are top notch.

What do you want to be when you grow up?

As I look toward the future, I am considering a career in the education field as a high school teacher. While in college, I plan to major in education and minor in theater.

How has the PAC helped you toward that goal?

The PAC was the "home" I found where I could dive deeper in my passion of musical theater and acting. I was able to express myself in ways I never thought possible.

Why is the PAC important to you?

The PAC is important to me as it provides the multiple resources for not just myself but thousands of children and students who are exploring "who they are." I am so grateful for the PAC for all it means to our entire community.
