Before auditioning you (and if 17 or younger your legal guardian) must by your signature(s) below agree to participate under the following conditions:

- Due to content, the PAC considers *Mamma Mia!* to be rated PG-13, *Dickens' Christmas Carol* to be rated G and *Sherlock Holmes* to be rated PG but reserves you (or your guardian) the right to determine if you are mature enough to handle such content: If cast in *Mamma Mia!* please be aware that all cast members will be in bathing suits for some portion of the performance.
- You may be exposed to numerous special effects onstage including strobe lights, fog, snow (soap) and haze.
- Your participation in this production is a large commitment not just for you but for your entire family. Please keep this in mind when listing conflicts on your audition form. When casting, every effort will be made to accommodate the conflicts listed on your audition form. Additional conflicts that arise after being cast may endanger your continued participation in this production.
