PAC KID SPOTLIGHT

Daniel Harris

Central Hardin
High School

What have you seen at the PAC?

I have seen many performances, but ones I remember were *The Hunchback of Notre Dame*, *Addams Family* and *Mamma Mia!*

What have you participated in at the PAC?

I have done numerous choir and band performances, but the plays that I have been in were *Radium Girls*, and *Footloose* (both with CHHS).

What did you learn from your experiences?

I have learned how to become a character and how to make that character come to life.

What do you want to be when you grow up?

I want to become a minister and spread the word of God.

How has the PAC helped you toward that goal?

Performing at the PAC has helped me gain experience in performing and speaking on stage – giving me the courage to speak in front of big crowds.

Why is the PAC important to you?

The PAC is important to me because it's a place where magic happens. It's a place where people can come to express themselves and to show their creative side. It's a place where people can watch stories unfold and where they can see familiar faces become complete strangers. The PAC has given me a chance to be something I'm not and to experience things that I would have never had done before. I've met many friends through my performances and I have gained so much through working at the PAC.
