PAC KID SPOTLIGHT

Langley Williams

Central Hardin High School

**Catch Langley in
The Nutcracker
this month
at the PAC**

What have you participated in at the PAC?

I first performed when I was five or six years old. It was my first year performing in *The Nutcracker*. I had the role of mouse and pulchinella. I've performed in every *Nutcracker* since then. I've been everything from a snowflake and waltz flower to ballerina doll and ice fairy. This year I will be performing as "Snow Queen," waltz and party parent. In between *The Nutcracker* seasons, I've performed in the annual spring recitals. I've been "Gretel" in *Sleeping Beauty*, a flamingo in *Alice and Wonderland* and numerous other roles in other ballets.

What did you learn from your experiences?

Dance and performance have meant so much to me. I've learned to hold myself, to walk with confidence and command an audience. I've learned to hold my head high no matter how hard a step or combination may be.

What do you want to be when you grow up?

I am following a biochemistry track right now, but at the end of the day I'm not sure if I'll lean it towards biomedicine or biochemical engineering.

How has the PAC helped you toward that goal?

At the PAC, I can always hold my head high. Being on that stage gives me confidence and empowers me. That is something I will take with me into presentations and job interviews, and it will allow me to command any stage.

Why is the PAC important to you?

The PAC is important to me because it holds some of my favorite memories. I walk through the halls and the theatre, and I see ghosts of the people and things I've done there.
