

Hardin County Schools

PAC KID SPOTLIGHT

Mallory Garcia

Central Hardin High School

**Catch Mallory
at the PAC in
The Crucible on
Friday, March 8th**

What have you seen at the PAC?

Into the Woods, Peter Pan Jr., Gulliver's Travels, The Nutcracker.

What have you participated in at the PAC?

Pinocchio, Peter & Wendy, Radium Girls, Footloose, Urinetown, and currently the CHHS production of The Crucible.

What did you learn from your experiences?

Every part is important. A show is a well-oiled machine with many parts.

What do you want to be when you grow up?

Acting would be great, but since it is a hard business my practical job is in the medical field.

How has the PAC helped you toward that goal?

I've really been brought out of my shell and shown I'll get what I work for.

Why is the PAC important to you?

It gives me a place to escape – get out of my head. I get to become someone else. I get to share that other person I become with others and bring them joy.

BECAUSE ALL THE WORLD'S A STAGE
