PAC KID SPOTLIGHT

Lucy Sonsalla
John Hardin High School

What have you participated in at the PAC?

Peter and the Starcatcher, The Hunchback of Notre Dame, Letters to Sala, Into the Woods, Macbeth, and the John Hardin Arts Showcase.

What did you learn from your experiences?

In addition to giving me the chance to perform in front of hundreds of people, being an aid at the PAC has taught me a myriad of skills that will be a daily benefit in my future endeavors. From soldering electrical panels to communicating effectively under duress, the PAC has prepared me for anything.

What do you want to be when you grow up?

I hope to someday be in international marketing or politics. I want to travel the world and meet as many people as possible while I am at it.

How has the PAC helped you toward that goal?

During my time at the PAC, I have interacted with countless people. I have learned how to present myself well before a crowd, and now know how to step into someone else's shoes and see the world through their perspective. Additionally, rehearsing and working backstage have taught me the importance of hard work, dedication, and punctuality.

Why is the PAC important to you?

The PAC has been my "home-away-from-home" ever since I moved to Elizabethtown. The community I found here has been incredibly supportive and accommodating, and the friendships I have made are invaluable. Without the PAC, I would not have half of the opportunities I have today.

BECAUSE ALL THE WORLD'S A STAGE
