## PAC KID SPOTLIGHT

**Andrew Wyatt**

Elizabethtown High School

### **What have you seen at the PAC?**

I have grown up in a family of actors, so I have seen many PAC productions throughout the years including: *Bye Bye Birdie*, *White Christmas*, *Beauty and the Beast*, *Seussical* and many more.

### **What have you participated in at the PAC?**

I have performed in multiple KMEA Large Ensemble Performance Assessments with my school band on alto-saxophone at The PAC. I have also performed with the EHS Concert Band and Jazz Band at the Elizabethtown Performing Arts Center (EPAC). I am about to make my acting debut as Winston in *1984* at the EPAC.

### **What did you learn from your experiences?**

I have learned to cooperate with others, build trust, and grow in my abilities in performance, music, and theatre.

### **What do you want to be when you grow up?**

I want to be a psychiatrist. When I graduate, I plan to attend the University of Louisville and get my doctorate in psychiatry.

### **How has the PAC helped you toward that goal?**

Theatre has helped me build empathy and increased my ability to understand what someone has gone through and how that affects who they are and why they do what they do.

### **Why is the PAC important to you?**

I have a deep appreciation for the arts and music and their contribution to our society and culture. The arts are important to me because they provide an outlet for my creativity and a way to explore my undiscovered abilities.
