Kid Spotlight

NAME: Richard Shufelt

SCHOOL:

North Hardin High School

WHAT HAVE YOU SEEN AT THE PAC?

The Nutcracker, Cinderella, Guys & Dolls, Night of the Living Dead, 1776, Fiddler on the Roof, Grease, and Into the Woods.

WHAT DID YOU LEARN FROM WATCHING A LIVE PERFORMANCE?

It's best to keep in character, smile as much as you can and keep an open posture.

HOW HAS SEEING LIVE PERFORMANCES CHANGED YOU?

It helps me see what the best actors are doing to improve their performances and try to make it my own.

WHAT HAVE YOU BEEN INVOLVED IN AT THE PAC?

Acting in *Suessical, Crazy for You, Beauty & the Beast, The Wizard of Oz, High School Musical Jr., The Music Man* and most recently *Bye Bye Birdie*.

WHAT DID YOU LEARN FROM YOUR PERFORMING EXPERIENCE?

I've learned how to remain loose in a stressful situation and how to cope with any sudden change. I've learned that no one person can make a show good. It is done through teamwork of the people involved on and offstage.

HOW HAS PERFORMING BEFORE AN AUDIENCE CHANGED YOU?

Unlike before, I'm able to get in front of a crowd and not be afraid.

WHY IS THE PAC IMPORTANT TO YOU?

I feel like the PAC is a place that I feel comfortable in when I walk in the door. I'm not stressed or grieved there but I'm excited about being there and being a part of it.
