WHAT HAVE YOU PARTICIPATED IN AT THE PAC?

The Nutcracker, White Christmas, Anything Goes, Annie Get Your Gun, Peter Pan, Les Miserables, Wizard of Oz.

WHAT DID YOU LEARN FROM YOUR EXPERIENCE?

I have learned from my years at the PAC that you need to work hard and be motivated and happy while being a part of a musical or play. The casts are like a close, tight knitted family. You should also take everything as a learning experience, and use or apply everything you've learned from one experience to another.

WHAT DO YOU WANT TO BE WHEN YOU GROW UP?

I really want to try to stay in the theatre business. I would like to work at Disney, and keep being in productions when I get older.

HOW HAS THE PAC HELPED YOU TOWARD THAT GOAL?

The PAC has given me opportunities to be in many important productions, given me training and experience on the stage, and given me an insight on how theatre works.

WHY IS THE PAC IMPORTANT TO YOU?

The PAC has had a big role in my life ever since I was 12. It has really helped shaped me into the person I am today. The PAC has given me important training and the help that I need to continue in the arts and be a part of the theatre.
