Kid Spotlight

**NAME:** Kaity Paschetto  
**SCHOOL:**  
Central Hardin High School

## WHAT HAVE YOU BEEN INVOLVED IN AT THE PAC?

I've most recently been in *Into the Woods* as Cinderella, *The Wizard of Oz* as Glinda the Good Witch, and Dale Brannon's *The Little Princess* as Becky. I've also been involved in several other productions with Allegro Dance Theatre, Youth Theatre of Hardin County, and the PAC's Pro-Am program.

## WHAT DID YOU LEARN FROM YOUR PERFORMING EXPERIENCE?

I've learned the importance of teamwork and how to make friends. I've gained poise and confidence, and practiced work ethic, a couple of jazz squares, and the subtle art of beveling.

## HOW HAS PERFORMING BEFORE AN AUDIENCE CHANGED YOU?

The energy I get from the audience is amazing. After you've stood center stage during a standing ovation you're never the same. I'm not entirely sure what's different, but it was definitely a change for the better.

## WHY IS THE PAC IMPORTANT TO YOU?

The PAC is such an incredible facility and I'm so grateful that we have it. I've heard countless stories of "stages" made of folding tables set up in the school gym and I'm always filled with a mixture of pity, relief and gratitude that our school plays, our dance recitals, our choir and band concerts will never have to be performed on a makeshift stage in front of a sea of folding chairs.
