**WHAT HAVE YOU SEEN AT THE PAC?**

*Anything Goes and Les Miserables.*

**WHAT HAVE YOU PARTICIPATED IN AT THE PAC?**

*Cinderella, The Little Mermaid, 12 Dancing Princesses, The Garden Party, Hansel and Gretel, Cats and Dogs, Mostly Chopin, and Little Princess.*

**WHAT DO YOU WANT TO BE WHEN YOU GROW UP?**

There are a number of things that I want to be. I don't exactly know yet. I fluctuate between aerospace engineer, nuclear engineer, or an astrophysicist. Something to do with rockets and space, really.

**HOW HAS THE PAC HELPED YOU TOWARD THAT GOAL?**

Well, dancing all the time at the PAC certainly does look good on a college application. It shows that I have the will to go through with something, a.k.a. get through college. It also shows that I'm well rounded. It's something that'll help me stick out from the rest of the applicants. I get the feeling that most engineering majors haven't really done a lot in the arts.

**WHY IS THE PAC IMPORTANT TO YOU?**

I've made a lot of important memories there. Some of them happy, some sad, but all are precious. I'm probably never going to forget it, because so much of my life has been spent there. Dancing wouldn't have been nearly as fun without performing at the PAC.
