

Because All the World's a

Waverly Williams
St. James School

WHAT HAVE YOU PARTICIPATED IN AT THE PAC?

Missoula Children's Theatre's production of *The Frog Prince*, school productions put on throughout the years and *The Nutcracker* (this is my seventh year!).

WHAT DO YOU WANT TO BE WHEN YOU GROW UP?

I am one of those people who change what they want their career to be later in their life but right now I want to be a pharmacist... but still pursue my ballet career.

HOW HAS THE PAC HELPED YOU TOWARD THAT GOAL?

The PAC has helped me by showing me that the stage isn't so scary -- it's actually more fun to perform at the PAC with an audience watching you perform what you've learned.

WHY IS THE PAC IMPORTANT TO YOU?

The PAC is important to me because it gives our generation today a chance to perform if they're interested in theatre. Without it, I probably would never have loved performing ballet like I do now. It gave me (and all other people) the opportunity to feel that "good feeling" that you feel after knowing you gave the best you had to give in your performance.
