Kid Spotlight

NAME: Kate McGuire

SCHOOL:
Central Hardin High School

WHAT HAVE YOU BEEN INVOLVED IN AT THE PAC?

Cats & Dogs, Guys & Dolls Jr., Beauty & the Beast, Alice in Wonderland Jr., Allegro Dance Theatre's Musical Theatre Ensemble Recital.

WHAT DID YOU LEARN FROM YOUR PERFORMING EXPERIENCE?

I've developed confidence, self-assurance and public speaking skills. I've also learned that hard work pays off. Though rehearsals may begin shaky, if you work hard your show can be a hit.

HOW HAS PERFORMING BEFORE AN AUDIENCE CHANGED YOU?

Performing before an audience has given me confidence. When I sang in front of one of my first audiences, I developed an extreme case of stage fright which was quite embarrassing. But I didn't give up. The more audiences I have performed for, the more confidence I have developed. I am now completely comfortable on the stage.

WHY IS THE PAC IMPORTANT TO YOU?

The PAC is where I spend every day of my summer. It's a place where kids can go, fit in and make lasting friendships. Theatre is something every child should have the chance to be involved in. The PAC makes that possible.
