

# **pac** Kids Spotlight

**Name:** Kelsey Paschetto

**School:** Home School

**What have you been involved in at the PAC?**

*Peter Pan; Hello Dolly; Guys and Dolls; multiple Yuletide Festivals; multiple dance recitals; NCDT master class; Professional Development Workshops; and a Coca-Cola Talent Classic preliminary*

**What did you learn from your experience?**

Professionalism; what really goes on backstage; the amount of work that goes into putting on a performance; how many people work backstage and are never recognized by the audience. I've learned about lighting and rigging; I even learned how to fly as Peter Pan's understudy!

**How has it changed you?**

I have a lot more appreciation for the people and the work backstage; I have more appreciation for the audience as a performer; and I have a lot more confidence in everything else I do.

**Why is the PAC important to you?**

It is important to have such a wonderful, professional facility so close to home; to not have to go Louisville to watch a professional performance; to be comfortable while watching school and community plays; and to be able to work and perform in a professional atmosphere.
