**What have you been involved in at the PAC?**

Dance recitals, community and school plays and musicals, and dance demonstrations for Arts & Humanities classes

I have learned that there is much more to theater and the arts than just singing and dancing, such as what goes on backstage and how

the administration office works.

**How has it changed you?**

I love the arts. Through the arts, I share my love and talents with other people.

**Why is the PAC important to you?**

It is a wonderful atmosphere for anyone to be entertained and enlightened about theater and the performing arts. It brings a great cultural aspect to our community.
