North Hardin High School

WHAT HAVE YOU SEEN AT THE PAC?

North Hardin's production of *The Wiz*.

WHAT HAVE YOU PARTICIPATED IN AT THE PAC?

Some of the events I have participated in at the PAC are band and choir concerts, *Aladdin*, *Pinocchio*, *Shrek* and *Annie*. In the *Annie* production, I was cast in the lead role and in the choir concert I sang a song that I wrote.

WHAT DID YOU LEARN FROM YOUR EXPERIENCES?

In the experiences I have had, I've learned that being in the moment you have to lose yourself. It's just like my Eminem says, "you only get one shot" and the first time you perform a song what you give is what you're going to get. So give it all you've got.

WHAT DO YOU WANT TO BE WHEN YOU GROW UP?

When I grow up there's nothing in particular I want to be, but I do know that I want to perform whatever I do when I perform songs that I wrote.
