WHAT HAVE YOU PARTICIPATED IN AT THE PAC?

With Youth Theatre of Hardin County, I have played Moonface Martin in *Anything Goes* and Nana the Dog and the Crocodile in *Peter Pan*; and I participated in *The Little Mermaid, Jr.* and assisted with tech work on *Cinderella* for Allegro Dance Theatre. Currently, I am playing Gollum in the PAC ProAm production of *The Hobbit*.

WHAT DID YOU LEARN FROM YOUR EXPERIENCES?

I learned that all the hard work and time that goes into a production are totally worth it! Especially when you hear the applause at the end of a very successful show. I have also learned that the people in theatre become a family to you in the most special of ways.

WHAT DO YOU WANT TO BE WHEN YOU GROW UP?

I would like to pursue a performing arts career whether that be through acting, playing guitar or even directing shows.

HOW HAS THE PAC HELPED YOU TOWARD THAT GOAL?

The PAC has given me the opportunity to not only participate in many aspects of the performing arts, but to observe them firsthand. Thanks to the hands-on direction from the directors, costumers and crew, I have gotten to experience all of the different aspects of theatre.

WHY IS THE PAC IMPORTANT TO YOU?

The PAC has been like my second home for the short time I've been here. For me it's a place to relax, let go and try on different characters while at the same time working with the most amazing people towards the common goal of producing the perfect show.
