Kid Spotlight

NAME: Lindsay Harper
SCHOOL:
John Hardin High School

WHAT HAVE SEEN AT THE PAC?

Grease, Beauty & the Beast, Oklahoma!, The Wizard of Oz, The Nutcracker, Little Shop of Horrors, Cinderella and many others.

WHAT DID YOU LEARN FROM WATCHING A LIVE PERFORMANCE?

No show is the same twice. I watched many performances more than once and I think that it is important to watch for the little changes. I learned as I watched that it is key to experiment with what one has done and add as one goes along.

WHAT HAVE YOU BEEN INVOLVED IN AT THE PAC?

Les Miserables, Never Trust a Musical Day, Rock Around the Clock, Movie Madness (all with John Hardin Chorus), many Center Stage dance recitals and various Christmas Concerts.

WHAT DID YOU LEARN FROM YOUR EXPERIENCE?

I learned the importance of dedication as well as how important practicing to perform is to put on a good show.

WHAT DO YOU WANT TO BE WHEN YOU GROWN UP?

Recording Artist/Music Producer/Choreographer

HOW HAS THE PAC HELP YOU TOWARD THAT GOAL?

I have learned a lot about the inner workings of stage management as well as the hands-on work that must be done in order for the production to be successful.

WHY IS THE PAC IMPORTANT TO YOU?

It allows local students, touring shows and many small arts organizations the ability to show their talents. I love being a part of this performing arts center.
