**WHAT HAVE YOU PARTICIPATED IN AT THE PAC?**

I've acted in the PAC ProAm production of *Our Town* as well as *Bye Bye Birdie* and *White Christmas* with Youth Theatre of Hardin County. I've also participated in CHHS Drama Club shows all four years of high school.

**WHAT DID YOU LEARN FROM YOUR EXPERIENCE?**

I've learned two important things from my experiences. The first is that every actor on the stage is equally important. The second is that theatre helps improve almost every social aspect of your life.

**WHAT DO YOU WANT TO BE WHEN YOU GROW UP?**

I've given a lot of thought to this question in the past year and this is the best answer I have to give: I want to make people's lives better.

**HOW HAS THE PAC HELPED YOU TOWARD THAT GOAL?**

My experiences at the PAC have given me a love for people. By helping me mature socially, the PAC has readied me to take on life's challenges as I go other places and other theatres.

**WHY IS THE PAC IMPORTANT TO YOU?**

The PAC is where I saw my first show. It's where I performed my first show. I grew up at the PAC. It's a theatrical home away from home. As I reach the end of my senior year, I want to thank the PAC and its staff for everything. I'll be back!
