**WHAT HAVE SEEN AT THE PAC?**

*Crazy for You, Thoroughly Modern Millie, Seussical – The Musical, Cinderella, The Wizard of Oz, Bye Bye Birdie, Beauty & the Beast.*

**WHAT DID YOU LEARN FROM WATCHING A LIVE PERFORMANCE?**

Performances work like a machine with each member of the show serving as an individual cog to create one massive product.

**WHAT HAVE YOU BEEN INVOLVED IN AT THE PAC?**

Eight years of being in The Dance Centre's *The Nutcracker*, band and choir concerts and shows and the PAC ProAm production of *Grease*.

**WHAT DID YOU LEARN FROM YOUR EXPERIENCE?**

Its important to just enjoy yourself. If you have fun, the audience will too.

**WHAT DO YOU WANT TO BE WHEN YOU GROW UP?**

I'd like to operate an elementary age theatre program.

**HOW HAS THE PAC HELP YOU TOWARD THAT GOAL?**

How hasn't it!? Watching the PAC operate is what made me realize that the theatre is my comfort zone.

**WHY IS THE PAC IMPORTANT TO YOU?**

Without the PAC, our community would be virtually artless - who would want to live like that?
