Kid Spotlight

NAME: Rica Wiersema
SCHOOL:
Central Hardin High School

WHAT HAVE YOU SEEN AT THE PAC?

Dear Edwina, Jr., A Funny Thing Happened on the Way to the Forum, Choir Concerts, School House Rock, Jr., Willy Wonka, Jr.

WHAT DID YOU LEARN FROM WATCHING A LIVE PERFORMANCE?

Projection is very important; Anyone can speak softly, but being able to talk or sing even without a microphone is vital.

HOW HAS SEEING LIVE PERFORMANCES CHANGED YOU?

It increases my admiration for all of the performers and stage hands, because if there's a mistake you have to keep going instead of saying "cut."

WHAT HAVE YOU BEEN INVOLVED IN AT THE PAC?

Lots and lots of choir production, as well as plays put on by Central Hardin Musical Theater, such as *Forum* and *School House Rock, Jr.*

WHAT DID YOU LEARN FROM YOUR PERFORMING EXPERIENCE?

I actually found that backstage work was just as rich and rewarding as performing itself!

HOW HAS PERFORMING BEFORE AN AUDIENCE CHANGED YOU?

Performing has shown me that I can play multiple characters and work almost any job required in theatre. It's very encouraging because I want to go into the movie business.

WHY IS THE PAC IMPORTANT TO YOU?

The PAC is one of the few stages that I've performed or worked on that has all of the resources and the skill that it needs to put on a truly fantastic show; Most other school stages I've worked with are falling apart and are too small for the performances to be really good.
