WHAT HAVE YOU PARTICIPATED IN AT THE PAC?

Dance Recitals; Band Concerts; Youth Theatre of Hardin County's *Bye Bye Birdie* and *White Christmas*.

WHAT DID YOU LEARN FROM YOUR EXPERIENCE?

Sometimes performances don't go quite the way you planned them. But never let the audience know! If you continue with your performance, covering up a mistake or rolling with a set malfunction, the audience may not even notice there was something wrong.

WHAT DO YOU WANT TO BE WHEN YOU GROW UP?

I would like to pursue either arts administration or broadcasting.

HOW HAS THE PAC HELPED YOU TOWARD THAT GOAL?

Both of these fields require a great deal of communication skills and experience in the arts. Performing at the PAC has allowed me to hone my skill of "rolling with the punches," keeping the show going at all costs.

WHY IS THE PAC IMPORTANT TO YOU?

The PAC has given me opportunities to pursue my passion. Performing is something that I'll always love both participating in and watching. I am so grateful for this wonderful facility and everything it has to offer.

See Kendra fly across the stage as Peter Pan this July at the PAC!
