**WHAT HAVE YOU PARTICIPATED IN AT THE PAC?**

I have been an active member of Youth Theatre of Hardin County for five years, playing everything from a munchkin to Captain Hook. I was also active in drama all four years of high school, again, playing a wide variety of roles. I also participated in my high school choir, which led to many more PAC performances.

**WHAT DID YOU LEARN FROM YOUR EXPERIENCE?**

I learned that if you work hard at your performance (for me, past the point of insanity!) you will thrill your audience. That is the best feeling in the world.

**WHAT DO YOU WANT TO BE WHEN YOU GROW UP?**

I plan to attend tri-state barbering school in the fall in hopes of becoming a barber.

**HOW HAS THE PAC HELPED YOU TOWARD THAT GOAL?**

Without the PAC, I would've never gained the social skills, confidence and personality to actually pursue my goals. I am forever thankful for the PAC.

**WHY IS THE PAC IMPORTANT TO YOU?**

When I was just a kid with an abundance of free time and no known interests, the PAC provided me with an opportunity to channel all of my angst into art; without the PAC, I doubt I would be involved in the arts today. I use to be an angry little kid; after I started doing shows at the PAC I wasn't angry anymore. I had a pastime, I had friends who shared my new found love for the arts, and I finally found a place where I felt welcome. The PAC is my home. It always will be.
