## PAC KID SPOTLIGHT

# FLASHBACK

**Brittany Froedge**  
*NHHS Graduate*

### **What do you do for a living?**

I am a band director in Hardin County at North Middle School.

### **What has been your most rewarding PAC experience?**

It's hard to say because I have so many experiences that have been amazing. As a performer in All District bands and the North Hardin Wind Symphony, there were many memorable concerts that impacted my decision to become a music educator. Those experiences led to the last 10 years of having the opportunity to direct some great kids in their performances for assessments and spring concerts.

### **Why is the PAC important to you?**

The PAC has been a facilitator of educating the community in the performing arts. Programs at the elementary, middle, and high school level have grown their ability to reach their students and their families with the arts. Many children for the past 20 years have either been participants or audience members who have been impacted by performances and their messages, whether they were by presented instrument music or words. Many children have utilized their experiences as outlets and self development, and without may not be as strong as they are today. I am forever grateful for the dedication of the staff of the PAC and their commitment to bringing productions to life for our community.
