PAC KID SPOTLIGHT

**Catch Maggie as
Cinderella this
month at the PAC!**

Maggie Board
Elizabethtown High School

What have you participated in at the PAC?

For the past ten years, I have been in *Cinderella the Ballet*, and various spring recitals, such as *Heidi*, *12 Dancing Princesses*, *Annie*, *Coppelia*, and *Sleeping Beauty* for the past 13 years. I was given the opportunity to perform during the Kentucky Shakespeare production of *A Midsummer Night's Dream* and *Macbeth*.

What did you learn from your experiences?

I learned that, through many years of hard work and fortitude, you can achieve higher roles in productions and learn more about your art form. I can take those values and carry them into my everyday life. The PAC has helped me grow to become responsible and always stay prepared.

What do you want to be when you grow up?

An architect.

How has the PAC helped you toward that goal?

Because of the PAC, I was able to learn how to express myself and be creative when on stage. Performing has helped me develop an outgoing personality and to not be afraid to use my talents when reaching a goal. The PAC instills professionalism in a performer, which is extremely important to carry into your career.

Why is the PAC important to you?

The PAC has given many people in the community a chance to experience the arts, whether it is through performance, being a member of the tech team, or watching in the audience. I have been given the opportunity to bring my roles to life on stage and tell a story.

BECAUSE ALL THE WORLD'S A STAGE
