HARDIN COUNTY SCHOOLS PERFORMING ARTS CENTER

(The PAC) complements student learning and

participation in performing arts and provides quality performing arts experiences for the community at large from around the world and around the corner.

Maybe you saw the national tour in Louisville or even the original in New York, but PAC PROAM PRODUCTIONS combine the best local professional and amateur performers for a truly unique experience.

BARNES AND NOBLE is more than books. We are a company that supports arts and education in our community, which is very much alive at the PAC. Their productions provide entertainment for the community, and

bring great works of literature to life. We value our relationship with Hardin County Schools and hope to continue supporting them for many years to come.

A Louisville creative agency since 1993. Creating a cohesive image for your company is no small task – for small businesses and huge corporations alike. With so many opportunities for branding, from brochures to websites to videos, it's easy for your identity and message to get a little, eh... imprecise. Let THE CUBERO GROUP help you reign it all in. We can help orchestrate your brand so

that every piece of your marketing is working its hardest for you and playing the same tune. We specialize in working in concert with marketing departments to make sure your budget is well spent and projects are well managed. Seeing the bigger picture can require an outside perspective.

SPECIAL THANKS

Derby Dinner Playhouse, Hard Knox Games, HCEC-TV, The Stephen Foster Story, Kelsey Floyd, and the families of the cast without whose efforts and patience this production would not have been possible.
