PAC KID SPOTLIGHT

Alexis Hayes

T.K. Stone Middle School

What have you participated in at the PAC?

I have participated in The Dance Centre's production of *The Nutcracker* for six years. I have also danced and performed in our annual recitals for nine years. I also performed in *Aladdin* and *Willy Wonka*. I was looking forward to participating in Youth Theatre and participated in the workshops before the pandemic started.

What did you learn from your experiences?

I learned to be confident in myself, to work hard and to never give up. From watching other performers I have learned that determination and practice help you grow and succeed.

What do you want to be when you grow up?

Right now, I would like to be an occupational therapist and work/own a dance studio on the side.

How has the PAC helped you toward that goal?

Through dancing and performing at the PAC, I have gained confidence in myself and improved my dance abilities. It has taught me that I can be successful at anything I put my mind to if I work hard.

Why is the PAC important to you?

The PAC is important to me because it has given me the opportunity to perform and share my talents with other people. It has also allowed me to enjoy the arts and watch others perform. I developed a love of musicals by watching many shows at the PAC even when I was a very little girl.
