Dance and performing have taught me so many things. I have learned to be more confident and disciplined, as well as how to be strong and keep my head held high.

### **What do you want to be when you grow up?**

When I grow up I want to be a physical therapist and hopefully work for a major ballet company one day.

### **How has the PAC helped you toward that goal?**

The PAC has further influenced my passion for performing and has made me realize that I want to keep dance in my life forever.

### **Why is the PAC important to you?**

The PAC is important to me because it is a place where I can express and share my passion. I have made some of my favorite memories here and have been able to meet amazing people.
