## STUDENT SPOTLIGHT

**Zander Mack**  
North Hardin High School

**Catch Zander in  
his NHHS drama  
debut at the PAC  
this week.**

### **What have you participated in at the PAC?**

I will be participating at the PAC in *The Pandemic Didn't Define Them*. I will be doing two monologues. The first one is *Cancer Boy*; the second one is *Some Lady Yelled At Me While I Was Working At The Grocery Store And I'm Not Okay*.

### **What did you learn from your experiences?**

What I will be learning from these experiences is how to memorize lines, how to become and be a different character, and also how to act.

### **What do you want to be when you grow up?**

What I want to be when I grow up is a news anchor, and for a side career I also want to become a therapist. It's a dream of mine ever since middle school, and I have been working toward that goal ever since.

### **How has the PAC helped you toward that goal?**

I haven't done anything with the PAC, but I am looking forward to the experiences with the drama club at the PAC.

### **Why is the PAC important to you?**

The PAC is important to me because it gives me a chance to experience being on stage and performing with the drama club, and working with a team of professionals that will help us be fabulous performers.
