#### **What did you learn from your experiences?**

I have learned the value of teamwork with my fellow cast mates. I also have learned how to grow as an actor.

#### **What do you want to be when you grow up?**

I would like to be a musical theatre teacher and create/direct my own shows.

#### **How has the PAC helped you toward that goal?**

I am around professionals who constantly help me and encourage me to be the best I can be. Plus, it gives an actor a setting to professionally perform.

#### **Why is the PAC important to you?**

The PAC is a place where I can make many memories with my friends and put on high quality shows. At this point I'm there so often I joke that it's my home.
