What do you do for a living?

Soon to be box office clerk / PAC staff.

What has been your most rewarding PAC experience?

Every time I volunteer at the PAC I know it will be an enjoyable and rewarding experience. I would have to say my most rewarding experience is being part of *The Nutcracker*. I have been a part of this production over 10 times. Over the years I've run spotlights, designed lights, and been a party parent on stage. It's always a rewarding experience. I love the energy that this show gives off. My favorite part is seeing the kids in the audience get so excited about the snow at the end of Act 1. This ballet was one of my favorites growing up. It's not Christmas until you've seen *The Nutcracker*.

Why is the PAC important?

The PAC helps the community have a place to celebrate the arts. Long-lasting friendships and life skills are formed here. People overcome fears and learn about different cultures here. The PAC brings our community together.
