

### What School Do You Attend?

East Hardin Middle School

### What do you want to do when you grow up? \*

I want to be an author and actor.

### What have you seen at the PAC?

*Peter Pan, Footloose, Thoroughly Modern Millie, Little Mermaid*, many band concerts, *Seussical, Mary Poppins*, and many others

### What have you participated in at the PAC?

Youth Theatre of Hardin County's *The Addams Family*, and various Lincoln Trail Elementary school productions.

### What have been your most rewarding PAC experiences?

One of my biggest passions is acting so anytime I get to take the stage gets me excited and teaches me new techniques.

### What did you learn from your PAC experiences?

It teaches me how to be a better dancer especially and how to handle doing most of my work at home.

### How have you benefitted from the PAC?

How to handle choreography and to learn from the production staff.

### Why is the PAC important to you?

It is important to me because my grandparents have taken me to various shows at the PAC as long as I can remember. Also, it was where I did my very first show (for school) and now have a family with YTHC.

### Why should the PAC be important to others?

Because you could start traditions of coming as a family to a lot of the shows and performances there. Also, you can find happiness. If you are feeling down, you can escape into a breathtaking adventure with these new characters that you are being introduced to.

### Any other comments you'd like to share?

I am honored to be chosen for this opportunity and ecstatic for YTHC's 50th anniversary and their production of *Little Mermaid* this summer.
