

SPOTLIGHT

This month The PAC Spotlight shines on:

Grace Peet

What Do You Do For A Living?

I am an instructional assistant at Central Hardin High School.

What have you seen at the PAC?

It's A Wonderful Life, Nutcracker, Arsenic and Old Lace

What have you participated in at the PAC?

Mamma Mia, A Christmas Carol, Young Frankenstein, and all four of the Sherlock Holmes adaptations.

What have been your most rewarding PAC experiences?

Returning each year to Sherlock, whether it be on stage or back stage, has probably been my most rewarding experience so far. They've certainly required the most growth, and I look forward to the next challenge!

What did you learn from your PAC experiences?

What haven't I learned? I've had an incredible time getting to learn from everyone. Most of my new experiences have come from working backstage. Everything I now know about tech and managing a show I have learned over the last few years.

How have you benefited from the PAC?

The PAC introduced me to most of the friends I have today. They've not only given me an incredible place to perform, but a wonderful group of people to perform with!

Why is the PAC important to you?

Having an outlet for creative endeavors and the opportunity to perform has been a big part of my life for as long as I can remember. The PAC has both allowed me to continue that, and introduced me to new ways to participate in theater.

Why should the PAC be important to others?

The PAC is a place which provides opportunities for creative people and performers to channel those

talents and create wonderful displays of art. In doing so, it helps cultivate a community for those people in which they find support and encouragement to grow. I think that community is worth supporting.
