

SPOTLIGHT

This month The PAC Spotlight shines on:

Elizabethtown High School's Bailey Bell

What do you want to do when you grow up?

I want to be a defense lawyer.

What have you participated in at the PAC?

Seussical the Musical, Hello, Dolly!, Frozen Jr, Matilda Jr, Aladdin Jr, and multiple Christmas shows, recitals, and camps through Allegro Dance Theatre.

What have been your most rewarding PAC experiences?

The most rewarding experiences I've had have been the musicals I've participated in through Allegro Dance Theatre.

What did you learn from your PAC experiences?

For most of my Allegro performances, I have been cast as both an ensemble member and a principal character. This has made me truly appreciate the work the ensemble puts into the show, as well as how to develop a character with another actor playing the exact same role.

How have you benefited from the PAC?

I've learned to be more comfortable around new people because of the community the PAC provides. Being surrounded by people like that has allowed me to grow more than I ever expected.

Why is the PAC important to you?

For someone who is typically on the stage, it is really beneficial to experience how the technical aspect of theatre is also executed. Knowing the insides of how the PAC works has really made the stage feel like home. I'm completely comfortable there.

Why should the PAC be important to others?

I think making theatre accessible is necessary for society to foster young artists. The PAC allows anyone of any age to participate in theatre.
