

SPOTLIGHT

The May PAC Spotlight shines on:

John Hardin High School's Anaiah Abbott

What do you want to do when you grow up?

I want to be a music producer and work with all kinds of talented people.

What have you seen at the PAC?

I can't even count how many things I've seen in the PAC. I have seen so many shows, choir concerts, and band concerts.

What have you participated in at the PAC?

I participated in school shows, Missoula Children's Theatre, choir concerts, Youth Theater of Hardin County, and band concerts. I have also been a PAC aid.

What have been your most rewarding PAC experiences?

My most rewarding PAC experience has been the JHHS production of *The Wedding Singer*. I played Rosie. That show was hard to learn, but the moment we had our first audience, I could feel all my nerves fade, and the applause was much more worth it knowing how hard we worked.

What did you learn from your PAC experiences?

I have learned teamwork and determination, and I also learned that you should never give up. I have auditioned for lots of things only not to get a part or a big part. I just worked to play a small role as well as I could and worked hard to get a better part next time. These qualities have transferred to my daily life as well.

How have you benefited from the PAC?

The PAC has shown me how much I love theater. I would have never found my passion for the arts if I hadn't been able to come to the PAC and see my first play.

Why is the PAC important to you?

The PAC is important to me because it is important to share the performing arts for others to enjoy. Seeing small children's faces light up after seeing a show is one of the most heartwarming things I have ever seen.

Why should the PAC be important to others?

Others should appreciate the PAC because it is a fun experience for all ages. It also shows the arts fantastically. It gives a place for people to perform what they have worked so hard on.
