

SPOTLIGHT

The June PAC Spotlight shines on:

Central Hardin High School's Austin Mays

What do you want to do when you grow up?

I'd like to go into Game Design and Video Production

What have you seen at the PAC?

I've seen a lot of shows at the PAC, but some of the most notable ones were: *The Hunchback of Norte Dame*, *Young Frankenstein*, and the Sherlock Holmes shows.

What have you participated in at the PAC?

Since about seven or eight, I've been in the annual production of *The Nutcracker* every year I was able. I have also been a part of shows such as *Seussical*, *Willy Wonka*, *Hello Dolly*, *The Addams Family*, *Annie*, *Beauty and the Beast*, and *The Little Mermaid*.

What have been your most rewarding PAC experiences?

Being a part of *Beauty and the Beast* with The PAC, and being a lead role in Youth Theatre's *The Little Mermaid*.

What did you learn from your PAC experiences?

I have learned how to better work together with others and how to take responsibility to do my part.

How have you benefited from the PAC?

I have been able to meet all sorts of people and make relationships that are meaningful to me.

Why is the PAC important to you?

The PAC is a place that people of all ages can grow and express themselves with others who also strive to do the same.

Why should the PAC be important to others?

There aren't many places that offer the same thing as the PAC. It is a blessing that we have a place where people can be themselves on a stage.

Do you have any other comments you'd like to share?

The PAC has been and will continue to be a home to many memories of what I've accomplished and how far I've come. If it wasn't for the PAC, I don't know where I'd be right now.
