

SPOTLIGHT

The September PAC Spotlight shines on:

Central Hardin High School's Kristyona Renville

What have you participated in at the PAC?

I have participated in *The Wizard of Oz* and *The 10 Minute Musicals*, and now I'll be participating in *Decision Height*.

What have been your most rewarding PAC experiences?

My most rewarding PAC experience is when I get to meet the people who play the characters. Everyone is always really nice. And watching others perform is mesmerizing because of how into the characters they get.

What did you learn from your PAC experiences?

I learned so much from acting at the PAC and how close everyone became while working on a show was great.

How have you benefited from the PAC?

I have benefited from the PAC because it made me more comfortable to be myself in front of others, get used to how things work backstage, form a connection with the people I work with and have experiences with, and actually learn how things work.

Why is the PAC important to you?

It gives me a sense of belonging, and I feel like it's where I should be, and there is nothing I love more than watching plays and performing.

Why should the PAC be important to others?

The PAC should be important to others because it really inspires and creates bonds, and the audience can always feel some sort of connection, and I hope that's not just me. The PAC is an amazing, strong place where people can come together and be themselves. It welcomes everyone.
