Since moving here in 2020, the PAC has given me a community to grow and blossom in the arts.

Why is the PAC important to you?

I have always loved theatre, and the PAC provides me an opportunity to be not only a participant but also a consumer of the arts.

Why should the PAC be important to others?

Throughout the year, the PAC not only provides our community with several opportunities to experience the arts, whether it be ballet, theatre, or dance, but also showcases the immense talent nestled here in our Hardin County community!

Do you have any other comments you'd like to share?

I started my journey with *The Nutcracker* at six years old. I have performed as a ginger kid, the mouse, a toy soldier, a Snow Maiden, Clara's Friend, and A Party Girl. I'm so excited to play Clara this year.
