

SPOTLIGHT

The December PAC Spotlight shines on:

East Hardin Middle School's Alyssa Brangers

What do you want to do when you grow up?

I want to work in the medical field-either a doctor or nurse.

What have you seen at the PAC?

Ragtime, The Little Mermaid, Oklahoma!, Footloose, Secret Garden, Seussical, Alice in Wonderland, Beauty and the Beast, Clue

What have you participated in at the PAC?

The Nutcracker, Elizabethtown Dance Centre recitals, and East Hardin band concerts

What have been your most rewarding PAC experiences?

Being able to perform with my best friends and my family in *The Nutcracker*. I love that it is a holiday tradition for my family to do together.

What did you learn from your PAC experiences?

I've not only learned what it takes to perform on the stage, but I've learned everything that goes on backstage to put a show together. All of the backdrops and curtains, the set pieces, and all the practicing that it takes.

How have you benefited from the PAC?

I was given the opportunity to perform on stage in front of my family and friends alongside professional performers. I've also been able to meet many new people both on stage and backstage at *The Nutcracker*.

Why is the PAC important to you?

I've basically grown up there because my grandparents, parents, and siblings have all been involved in shows at the PAC for years. I'm happy to be able to continue a long line of family tradition.

Why should the PAC be important to others?

It offers many opportunities to meet people you may not have ever met before. It also gives you the opportunities to enhance your performing skills and gain confidence in yourself and your abilities.
