

# SPOTLIGHT

**The January PAC Spotlight shines on:**

**The New PAC Director, Aaron Taylor**

**What have you seen at the PAC?**

EVERYTHING!

**What have you participated in at the PAC?**

Onstage: *1984, Fiddler on the Roof, Grease*

**What have been your most rewarding PAC experiences?**

Too numerous to mention over 20 years. Watching my family make a home at The PAC is probably the most amazing.

**What did you learn from your PAC experiences?**

Theatre is home.

**How have you benefited from the PAC?**

It's made me a better person.

**Why is the PAC important to you?**

Because I want everyone to have the opportunities I've had. I want everyone to see kids' eyes light up the first time they come perform on our stage.

**Why should the PAC be important to others?**

Because it is our community. We try hard to provide art access to everyone. I want it to be a gateway to art for everyone in our community.
